A Specific for Hooping-Cough. A Specific for Hooping-Cough.

It is known by a few individuals in the counties of Jefferson, Shelby, and Olldhau, that I have a remedy that effectually cures llooping Cough. If there are remedies in America or Europe that cures, it is not within my knowledge, (except the one I use.) Physicians tell the faunties they attend it can't be cured. I have no doubt they are candid in what they state. To get the medicine in use, and lull to sleep a deep-tooted prejudice, the faculty are invited to get the medicine, and save the little innocents whom they attend, and tell them no more it enance be cured, the dollar will pay for two bottles, which is a sufficiency for one child. This medicine can be conveyed to any part of the United States by express for a mere trille. Residence Green street, between Floyd and Preston, south side, No. 489, Louisvillo, Ky.
